Welcome

to the Carolinas Brahman Breeders 44th Annual Sale

To All My Fellow Brahman Breeders and Friends:

On behalf of my family and I, we want to thank you for consigning some of the best animals from your ranches.

Our 44th Annual CBBA Sale will be a special sale and there is something in this sale for everyone. We are proud to be the longest running Brahman sale in the United States.

Don't let this year pass without being part of the present opportunity. Several great lots will be offered on June 1, 2024. We also have a tremendous set of F-1 heifers for the commercial breeder.

I would like to thank all the buyers and spectators for the continued support of the CBBA and the Brahman breed. See you June 1, 2024 at Laurens Livestock in Laurens, South Carolina.

Philip Gilstrap

Philip Gilstrap, President

IN MEMORY OF DOUG AND DOT MASON

This year Philip Gilstrap would like to dedicate the sale to his grandparents, Doug and Dot Mason.

Doug was a founding member of the CBBA and never missed a single sale for forty-three years.

Doug started raising Brahman cattle in 1980. He bred and raised gray Brahman cattle and then in 1990 switched to breeding red Brahmans. His love for the Brahman cattle and the CBBA was evident to all who knew him. He was an active member who served as a director on the CBBA's board and worked hard for the betterment of the association.

Dot, his wife of 60 years, was always at his side helping at CBBA events. She helped with the fun auction and even sold cakes, handmade quilts and wall hangings to help raise money for the association.

We hope you can join us this year in remembering these two long-time supporters of the CBBA.

Check out this great opportunity, folks!! This is your chance to purchase a premier IVF aspiration from one of our most proven and popular donors, Miss 4F Polled 147/1 (P) "Lexi." As you study this outstanding female, she is everything a donor female needs. Lexi has won many shows and named Grand Champion Female over eight times. You expect her to have an extraordinary phenotype as she is a red-tinged, big-middle, heavy-muscled, and a long and level-made female with a unique look and comes backed by some of the breeds' most proven genetics and performance values. She is sired

by the Reserve National Champion and now proven herd sire, SRS Mr. Joe Kid 185. Of course, you have to appreciate the build of Joe Kid, but where we find his added value is with his pedigree that combines the many-time show winner and now proven herd sire +SRS Mr. Troubadour 933 and the dam to the Reserve National Champion and register of renown sire, +SRS Mr. Captain Red Legs. It gets even more interesting! Lexi's dam is one of 4F Cattle Company's most proven donors, Miss 4F Polled Victoria 23/7 (P), who recently had a HOMOZYGOUS POLLED daughter win one of the largest classes at the International Brahman Show. Not only is 23/7 a proven producer, but she was a former show heifer and backed by one of the breed's most proven and productive pedigrees. To add further value to this package, Lexi ranks in the top 10% of the breed for marbling, 30% for weaning weight, and 30% for yearling weight. If you're looking for a donor that HAS IT ALL, you must give this aspiration from Miss 4F Polled 147/1 (P) "Lexi" serious consideration!! *Special Notes: Selling (1) IVF aspiration guaranteeing five transferable/freezable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. The buyer will be responsible for all costs associated with IVF procedures, including travel/hauling to the IVF facility. No guarantee if semen is sexed or reverse sorted unless you get the seller's approval before use.*

Miss Polled Trinity 101 is a DONOR female that we simply cannot get over! Look how complete this one is, not having any hole to pick in her phenotypically. The sire to 101 is ABBA's #1 all-time champion-producing grey bull, +Mr. V8 279/7, who is a son of the iconic breed changer bull, +JDH Mr. Elmo Manso 309/4. Not to mention the true matriarch dam to +279/7, +Miss V8 510/6, who raised two herd sires for V8 Ranch and produced the only female in history to be named national champion, who is +Miss V8 100/7, the mother to +Mr. V8 458/7 "Noble." The mother, as you should know, is Miss SRS Polled Katie (P). Katie, who needs no introduction, sold for \$44,000 to KI Cattle Company, Jake Matthews and Family, in the Brahmans at the Camelia sale back in 2023. Katie has a success story of producing champions such as the high-selling 111/1 "One for the Money" bull in HMC's Online Sale for \$20,000 as well as three daughters selling at public auction for \$21,000-\$37,000 each, not to mention the \$30,000 female purchased by David Lawrence, Miss HMC Polled 42/1 (P) who has earned Lawrence Cattle Company back over 10x of their original investment. This elite female ranks in the top 5% of the breed for docility and 30% for the \$Queen Index. If you are a progressive polled breeder, we don't see how you can pass up a great opportunity such as this to purchase an aspiration on one of our top donors, Miss Polled Trinity 101! *Special Notes: Selling (1) IVF aspiration guaranteeing five transferable/freezable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. What an excellent opportunity to purchase semen on a HOMOZYGOUS POLLED bull making his way in the breed! Mr. JS Polled Rouge 640/6 (PP) is a bull that you love for this thickness, overall power, and pedigree. He is sired by HK Polo 757, who was one of the first red POLLED Brahman bulls in the breed and, as a result, has been influential in the development of the red American Brahman Cattle. The sire to HK Polo 757 is 3H Polo 628, while his dam combines some of the most proven genetics from the legendary operations of HK Cattle & 3X Ranch. The dam to 640/6 is Miss JS/ECOS Rouge 154/0 (P), who is sired by Mr. JS Rouge 551/6 and out of the Mr. 3-S 325 (P) donor, Miss JS/ECOS Rouge 715/7 (P). As you study this great herd sires EPD's, he ranks in the top 1/2 of the breed for BW, YW, calving ease, scrotal circumference, docility, yield, and fat thickness. This is an excellent opportunity to purchase semen on a bull that is guaranteed to throw POLLED calves. Don't miss this once-in-a-lifetime chance, Mr. JS Polled Rouge 640/6 (P). *Special Notes: Selling 3 Straws of CONVENTIONAL semen with 3 AI certificates.*

This is interesting! Hollow Oak Farms thought it would be cool to open the tank up and offer a set of embryos from one of their best donors who is crossed with what everyone knows as one of the best BLACK bulls in the breed. Can you imagine what the offspring might look like from these embryos being dark pigmented, extra feminine, and most importantly, having a superior pedigree to back them up? This package is sired by the famous Mr. MCC Polled Smoke 14/9, who recently had a daughter sell for \$22,500 in the Bayou Classic Online Sale. Smoke has been one of the most popular sires of the past two years due to his black color, phenomenal build, and polled status. Polled Smoke is sired by Mr. +S Polled Negro 626, who is the result of crossing +JME Mr. Suva Crat 225 with the 2010 International Champion and dam to the 2022 International & National Champion +Lady H Lisa Manso 947/7. The dam to these embryos is LMC LN Polled Diosa 142/1 (PP) who is sired by the widely used Australian Sire with over 100 registered progeny, Nioka Pablo, and out of a former show winner and proven donor that is by the first natural calf of +CT Lady Rhineaux Ray 8/9 and out of the dam to LMC LN Polled Pappo 136/6. Folks, stout breeding can only be purchased HERE during this prestigious sale. Don't miss out on an excellent opportunity to buy an elite package of embryos from Hollow Oak Farms! The calf is GUARANTEED POLLED, buy with confidence! *Special Notes – Selling three conventional embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given.*

Mr. Ward 60 "The Nature Boy," has been one of the winningest bulls of the past year, recently picking up a Division Title at the National Brahman Show this past fall. Sure, there is a lot to appreciate about this bull from a phenotypic standpoint, as has been validated by his winning numerous shows. However, study his pedigree, and you will see this bull results from one of the most proven matings in the breed that has been duplicated 36 times, producing several show ring winners and sale toppers. The sire to "Nature Boy" is the two-time ABBA Show Bull of the Year +TTT Suva Bob Manso 786, while his dam is one of the most prolific cows in the breed with 131 progeny. It should also be noted that the pedigree of "Nature Boy" is an outcross to many of today's famous bloodlines and is adorned with some of the most muscular maternal lines in the breed. Making 60 more valuable to the commercial cattlemen, he ranks in the top 5% of the breed for yield grade, 15% for milk, 15% for frame score, and 35% for weaning weight. If you like them thick, moderate, and eye-appealing, don't miss out on purchasing this semen package on Mr. Ward 60 "Nature Boy." *Special Notes: Selling 3 Straws of CONVENTIONAL semen with 3 AI certificates.*

As you study the build on this incredible female, you can't help but notice how long-bodied, easy-fleshing, and eye-appealing she is from the side profile. Annie is sired by LMC Polled Stuntman 30/0 (PP), who is a HOMOZYGOUS polled bull that comes backed with outstanding genetics being sired by Polled Pathfinder,

who has been used around the world with show winners and top sellers to his credit. The dam to 30/0 is the BAR W West Didor 285/6 daughter, LMC Polled Muneca 760, who was 15 years old still in production. The dam to Annie is Miss JSM Charcoal Baby 33, who also sells in the sale but is a very productive female with "mama cow" written all over her, having a super soft udder and ranking in the top of the breed for docility. To top this offering off, Annie ranks at the top of the breed for traits such as birthweight, yearling weight, carcass weight, and REA. Ladies and gentlemen, we love this female for her eye-appealing look and having that beautiful color to her. 7L Miss 29/21 "Beauty" is a beautiful dark black female that is special! This female is highly feminine, structurally sound, and has tremendous eye appeal. We admire the muscle, depth, power, and pigment this female portrays, which should be passed on to her offspring. Beauty is not only one of the correct females phenotypically we are offering, but she also has a stellar pedigree that boasts performance!! She is sired by Mr. Ferrell Scott 645, who knows he is good by having Vanguard

and Register of Renown lineages such as (+) JDH Sir Liberty Manso, (+) JDH Sir Marri Manso, and +TTT Mr. Mayro Suva 845. The dam to this great female comes from Miskimon Ranch of Lane, Oklahoma, being Miss Ochenta 364, whom you love for her DEEP black color! Beauty has the look and pedigree, but she charts positive for the traditional performance traits of BW, WW, YW, and Milk, ranking in the top 10% of the breed for Marbling. Where will you find a female like this who is so popular?! This is a GREAT chance to purchase a black female. As a bonus, Beauty comes to the sale with a bull calf at side sired by JDH Mr. Greer Manso 662/0. Don't miss out on a stunning female in 7L Miss 29/21 "Beauty"!

What an excellent opportunity to purchase a HERD bull that is ready to go to work for you! Mr. DFF Tansai Manso Garrett is a stout, massive bull that you love for his natural thickness and overall shape. When looking for a herd bull, a person should look for three qualities: muscle definition, docility, and, most importantly, flexibility. This herd sire supports these qualities without a doubt. The sire to Garrett is MSP Partin's Garrett 708/1, a son of MSP King Garrett 584/1, and out of

the proven donor MSP Queen Manso 311/1. On the bottom side, the mother to this outstanding herd sire is BUR Ms. Suga Suga 12/7, who is sired by a Bennett Farm herd sire, Mr. B-F Hugo 29/5. To make this offering even more attractive, Garrett ranks in the top 1/2 of the breed for birthweight, scrotal circumference, carcass weight, REA, and docility. If you come to the sale to purchase a "ready to go to work" herd sire, don't miss out on one of the greats, Mr. DFF Tansai Manso Garrett!

Looking for an outstanding DONOR female? You can't overlook Lee's Miss Sydney Manso! She is so perfect in her overall makeup combining so many good things of a grand champion female. Sydney is one that you don't even have to get out of the truck to tell that she's good due to the squareness she portrays and flaunts out of her front one-third with so much ease. This female has an elite phenotype, and she carries a breed-leading pedigree to go along with it. She is sired by Mr. V8 347/8, a direct son of +Mr. V8 458/7 "Noble," and out of the oldest cow on the V8 Ranch, Miss V8 387/6. On the bottom side of Sydney's pedigree, you see she is the daughter of the many-time champion in the state of Mississippi, Moreno Ms. Lady Ruthie Marie 398/2. At the 2020 Dixie National Junior Roundup, "Ruthie" was named Reserve Champion Red Brahman Female. She is sired by the successful show bull +BB Bronson 299/3, who, following his show career in 2006, sold half interest for \$35,000, which named him to be the highest-selling animal ever to be sold in that sale at the time. In 2012, Bronson sired BOTH the Grand and Reserve Grand Champion Bulls at the World Brahman Congress and later sired the International Grand Champion Bull, Moreno Mr. Rudolph 851. To top this offering off, Sydney ranks in the top 25% of the breed for REA, 25% for yearling weight, 15% for carcass weight, and 10% for yield grade. We know Sydney's value due to her ecstatic build and character and we hope that she can rise to the top for the buyer. As an added bonus, this female comes to the sale bred 5 months to LMC LN Polled Prodigy 188/7 (P).

This scurred/polled baby doll female has been everyone's favorite since she hit the ground. Madeline will be a super competitive show female who can win banners at any major show, and this is the best female that we have raised thus far this year. As you study Madeline, she is level down her top, tying in very well right behind her shoulder into her hump. As you get in behind her, you love how much power and dimension she has from both the side and the rearview. What we get most excited about is that this female is sired by one of the most impressive sons of +Mr. V8 458/7 "Noble," Mr. V8 179/8 "Big Mack," who could be one, if not the heaviest-boned bulls V8 Ranch has ever raised. Big Mack has made his mark, winning many divisions and championships at major shows. His sire, "Noble" is known worldwide for generating more show winners than any other bull in the breed. "Big Mack's" dam is the 2005 National Champion female, Miss V8 363/6. On the bottom side, the dam to Madeline is Miss 4F Polled 99/0, who needs no introduction. This highly fertile female, Miss 4F Polled 99/0 (P), is a daughter of Polled Pathfinder, which has been used successfully in the United States by an exclusive group of breeders and in Australia by Nobbs Cattle Co. The dam to 99/0 is Miss 4F Polled Prima Donna 22/7, a proven donor validated by her first four daughters, who were show heifers or sale features. It is noted that Prima Donna is a full sister to LMC 4F Polled Diva 46/6, a many-time champion, and now a donor for LMC and 4F Cattle Company. To further advance her value to a very progressive breeder, she ranks in the top 5% of the breed for docility, 10% for carcass weight, 10% for yearling weight, and 25% for weaning weight. It is to be noted that Madeline ranks in the top 5% for \$Bull and 10% for \$Queen index. This five-month-old sweetheart loves to lick all over you, begging for the attention of some junior to take her home. She has a sweet disposition and POWER-PACKED pedigree! 125 is sired by +Mr. H Breaker Manso, a National and International Champion. Breaker has recently become one of the breed's most proven sires due to the success of his offspring's show records at ABBA shows. Breaker is sired by the International Champion and performance trait leader +Mr. V8 960/5 and out of a top daughter of the Vanguard sire (+)JDH Sir Liberty Manso. The dam to this genetically superior female is Moreno Ms. Lady Odettie, a daughter of +Mr. V8 380/6 and out of a register of renown DONOR FEMALE, +JDH Miss Booth Manso who is also a +JDH Mr. Elmo daughter. The performance data on this female is off the charts, as she ranks at the top of the breed for traits such as WW, YW, CW, REA, and marbling. We think this female carries tremendous value between her powerful pedigree and phenotype. Don't miss out on this great opportunity!

Dobbins Brahman Ranch has been a long-time consignor of the Carolina Brahman Association Sale, and we are super thankful for the friendship that Mr. James and his family have with us. JWD Fancy GYR is a beautiful female you love for her moderation, color, and performance. The gyr cattle originated in West India in the state of Gujarat. The gyr is also distinctive in appearance, typically having a rounded and domed forehead, long drooping ears, and horns that sweep back and spiral up. Fancy GYR originates from Mr. Dobbins's best genetic lines, being sired by Commanche GYR 110 and out of the productive donor female, JWD Miss Butterfly, who is the own daughter of Mr. CWS 211. It is to be noted that this female ranks in the top 1% of the gyr breed for birthweight, 10% for fat thickness and 15% for yield grade. Folks, not often do you get the chance to purchase world-renowned genetics such as this from one of the top breeders in the USA. Take advantage of this great opportunity from Dobbins Brahman Ranch, JWD Fancy GYR!

Another great gyr female in the sale is JWD Payton Gyr from Dobbins Brahman Ranch. As we said in the following footnotes, gyr originated from India but are also known in Brazil and other South American countries to be used to cross-breed because of the Bos Indicus breed, which is resistant to hot temperatures and tropical diseases. Gyr's are also known for their milking-producing qualities and are sometimes bred with Friesian cows to make the Girolando breed. This is a super attractive female. You can't help but like being a daughter of JWD Ears and out of the production female, Christmas Snow on the bottom side. As an added addition, this female ranks in the top 5% of the breed for birthweight, 10% for fat thickness, and 15% for yield grade. This is a RARE opportunity for people all over the USA to purchase these outstanding genetics. Once again, from long-time consignors Dobbins Brahman Ranch, don't miss out on a great open female, JWD Payton Gyr.

LOT 33 & 34 - DOBBINS BRAHMANS

LOT 33 - ONE INDU BOTTLE BABY

LOT 34 - ONE GYR BOTTLE BABY

Dobbins Brahmans, long-time consignors to the CBBA, has brought something REAL special this year, and this rare offering will be a sale highlight! Only in Laurens, SC, do you have the chance to purchase an Indu or Gyr bottle baby that is 3-4 months old and that can be registered through the American Brahman Association. The babies will be unbranded and unnamed on sale day so the buyer can choose both options when the calves are ready to be registered and branded. What an excellent opportunity to purchase something you don't see every day!!

PF HK Jazz is another great dark red female from Porter Farms. For a prestigious sale like this to take place for 44 years and still running, it takes great consignors who come together to bring their very BEST!! As you study Jazz on the profile, you love how complete she is on a standstill, having no fault whatsoever being level down her top, smooth in her underline, and having that feminine, fresh look out through her front one-third. If you are paying attention, this female is a 3/4 sib to PF HK Jackie, who also sells in the sale being sired by Porters Redstroke 187 as by his name is sired by the legend and register of renown herd sire, +SRS Red Stroke 522. People who follow the 522 lines know that over the past 20 years, he has significantly impacted the red brahman breed and was one of the greatest-producing sons ever sired by +Sophisticated Millionaire 80/3. The mother to Jazz is also a HK Visa Alabama 945 daughter and out of a female on the bottom side that is sired by the register of renown herd sire, +Mr. JS Rouge 493/5. As a bonus, Jazz ranks in the top 5% of the breed for yield grade, 30% for marbling, and 35% for docility. If you are in the market for top-quality red American brahman genetics, don't miss out on this beautiful female from Porter Farms, PF HK Jazz!

You heard us right!!!! Miss 4F Polled 109/0 (P) SELLS!! If you came to the sale to purchase an ELITE DONOR, sit down and study Miss 4F Polled 109/0 hard!! Knowing what the pedigree holds on this female, it is hard not to appreciate her superior build that combines rib shape, muscle, structural correctness, bone circumference, and femininity in a POLLED

package. The sire to this female is Mr. 4F Polled Ice Man 3/6 (P), a former show bull and now a proven sire that combines the top sire and dam for polled registrations in ABBA. The dam to 109/0 is 4F's most proven dam, JDH Lady Manso 993, validating her influence in this female's pedigree. Notably, on the first flush, 109/0 aspirated 97 oocytes, making a total of 48 embryos; on the second flush, aspirated 88 oocytes, creating 52 embryos; the rest is history, folks, as she produces like this every time. 109/0 has produced one natural baby and many ET babies for us, for example, Lee's Miss Libby Manso, who went on to be an incredible show female, as well as Lee's Mr. Jack Manso, who is on the 4P Show String now in Mississippi creating a lot of noise. To further enhance this opportunity, 109/0 ranks at the top of the breed for the traditional traits of BW, WW, YW, and Milk, making her ALL PURPOSEFUL!! Finally, as a bonus, 109/0 sells bred to LMC LF Polled Spartan 194/7 (P), a POLLED sire, meaning the resulting calf could be HOMOZYGOUS POLLED. Folks, if you come to buy the best, this is where it's at, with Miss 4F Polled 109/0 (P)!!

Special Notes: Seller reserves the right to hold a registration cert to only register said babies from embryos in inventory.

When Rain stops on the profile, there is so much good to say about her as she creates that "picture-perfect" view. It is to be noted

that this female was named Reserve Grand Champion and Calf Champion Female at the Mississippi State Junior Brahman Show in 2023. Rain is sired by Moreno Mr. Regun 745, who was a former show bull but, most notably, one of the most genetically superior bulls in the breed, being sired by +TJF Mr. Smokin Gun 109/7, one of the hottest sires in the breed, and out of +Moreno Ms. Lady Reba who was a National Champion and Reserve International Champion that ultimately became the leading red donor for Moreno Ranch Inc. The mother of this incredible female is Moreno Ms. Lady Roly 424/1, one of Moreno Ranch's top show heifers during her era. 424/1 is sired by +Mr. 3H X-Ray 825 who has been one of the most influential sires in the breed over the past 20 years, with nearly 500 registered progeny. The dam to Lady Roly is +MR Miss Treinta 228, one of the most influential dams with over 25 red & grey progeny, including multiple show winners, donor dams, and herd sires. As an added addition, Rain ranks in the top 2% of the breed for yield grade, 25% for milk, and 30% for marbling. TERMS & CONDITIONS

Terms of the sale are cash or check to the Clerk at the conclusion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

Breeding Guarantee: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. If an animal fails to breed after a trail of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for a trial of six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. Cows with calves at side are considered breeders with no further guarantee.

Certificate: A certificate of registration will be mailed directly to the buyer.

Announcements: Announcements from the auction box will take precedence over the printed information in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

Health: All animals sell with an interstate health certificate.

Liability: All persons who attend the sale do so at their own risk and owners and sale managers assume no liability, legal or otherwise, for any accidents that may occur.

Rights and Obligations: The terms and conditions of this sale shall constitute a contract between buyers and sellers of each animal and shall be equally binding upon both. Neither the owner, the sale manager, nor any person connected with the management of the sale assume liability, legal or otherwise.

ALL GUARANTEES ARE BETWEEN THE BUYER AND THE SELLER.

*Trucking: There will be people available to haul.
