# Welcome

## to the Carolinas Brahman Breeders 45th Annual Sale

To All My Fellow Brahman Breeders and Friends:

On behalf of my family and I, we want to thank you for consigning some of the best animals from your ranches.

Our 45th Annual CBBA Sale will be a special sale and there is something in this sale for everyone. We are proud to be the longest running Brahman sale in the United States.

Don't let this year pass without being part of the present opportunity. Several great lots will be offered on June 7, 2025. We also have a tremendous set of F-1 heifers for the commercial breeder.

I would like to thank all the buyers and spectators for the continued support of the CBBA and the Brahman breed. See you June 7, 2025 at Laurens Livestock in Laurens, South Carolina.

*Philip Gilstrap*

Philip Gilstrap, President

### TERMS & CONDITIONS

**Terms of the sale are cash or check to the Clerk at the conclusion of the sale.**

**Bidding:** Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

**Breeding Guarantee:** Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for a trial of six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. Cows with calves at side are considered breeders with no further guarantee.

**Certificate:** The certificate of registration will be mailed to the buyer.

**Announcements:** Announcements from the auction box will take precedence over the printed information in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

**Health:** All animals sell with an interstate health certificate.

**Liability:** All persons who attend the sale do so at their own risk and owners and sale managers assume no liability, legal or otherwise, for any accidents that may occur.

**Rights and Obligations:** The terms and conditions of this sale shall constitute a contract between buyers and sellers of each animal and shall be equally binding upon both. Neither the owner, the sale manager, nor any person connected with the management of the sale assume liability, legal or otherwise.

**ALL GUARANTEES ARE BETWEEN THE BUYER AND THE SELLER.**

*Trucking: There will be people available to haul. Numbers will be made available sale day.*

Well folks, if you're coming to preview the best, what better way to start the catalog than with the best in the sale? At every sale, someone asks, "Which one is the best money can buy?"—and every time, we point to Lot

#1, which in this case is Lee's Miss Sissy Manso. Named after Ann Raleigh, affectionately called "Sissy" by her family, this female reminded us of her from day one with her soft blue eyes and gentle, striking presence. From the start, Sissy was a standout—a long-bodied, ultra-feminine heifer with eye-catching style and balanced structure. Shown successfully by Kaci Ladner, Sissy was led to the championship circle over six times, and it's easy to see why. She is sired by JDH Ringo Manso, a son of the legendary +JDH Mr. Elmo Manso, and out of JDH Mrs. Diamond Manso 199/0, a daughter of Mr. V8 584/6. On the maternal side, her dam is the deep-bodied Miss RB 711/3, an own daughter of +#JADL Rey Te and out of a +JDH Mr. Union Manso daughter, Ms. RB 279/2. Genetically, Sissy is as powerful as she is beautiful—ranking well for yearling weight, weaning weight, ribeye area, marbling, and yield grade. She also sells confirmed bred to Mr. JH 20/9, a direct son of the breed icon +Mr. V8 458/7 "Noble." With a unique story, an unbeatable pedigree, and breed-leading performance, Lee's Miss Sissy Manso is the female that brings it all together. If you're serious about owning the best in both style and performance, don't miss this rare opportunity—she's the one to buy on sale day!

Here's a rare opportunity, folks—your chance to own a true DONOR FEMALE from one of the top Brahman programs in the country, Miss 4F Polled 147/1 (P) "Lexi." This elite female has it all—phenotype, performance, pedigree, and production. A proven show winner, Lexi has been named Grand Champion Female over eight

times, and it's easy to see why. She's dark pigmented, big-middled, heavy-muscled, long-bodied, and level-made with a unique, eye-catching look. Her presence and structural correctness make her not only a show standout but a donor with tremendous potential. Her pedigree is equally impressive—she's sired by SRS Mr. Joe Kid 185, a Reserve National Champion and now proven herd sire, who combines the power of +SRS Mr. Troubadour 933 and the dam of +SRS Mr. Captain Red Legs, two names known for producing consistency and quality. On the maternal side, her dam Miss 4F Polled Victoria 23/7 (P) is one of 4F Cattle Company's most trusted and productive donors, a former show heifer who recently produced a HOMOZYGOUS POLLED daughter that won one of the largest classes at the International Brahman Show. Lexi's genetic potential is backed by data—she ranks in the top 10% of the breed for marbling, and top 30% for both weaning and yearling weight. To sweeten the deal, Lexi sells with a bull calf at side sired by Mr. JH 20/9, a direct son of the legendary +Mr. V8 458/7 "Noble." Whether you're building a donor pen or chasing show ring banners, Miss 4F Polled 147/1 (P) "Lexi" is the kind of female that moves programs forward. Don't miss this one-of-a-kind opportunity!

If you're truly here to make a move in the Red Brahman breed, then Miss KF Reba 218 is the one you absolutely cannot afford to miss. She's the standout red female of the sale—no debate. That ultra-feminine

build, sleek lines, and show-stopping presence makes her the kind that grabs your attention and never lets go. But make no mistake—Reba is more than just a pretty face. She's sired by the iconic +Mr. WCC Maximus Rojo 82/4, a bull whose limited semen recently brought \$7,500/straw—and you won't see it available again anytime soon. Maximus has sired International and National Champions, and his daughters are in incredible demand for a reason. Reba's value doesn't stop there. Her dam, Ms. SS 245, is a daughter of Mr. KC Whiskey 20/7 and out of a Mr. V8 986/5 female—proven, performance-driven genetics through and through. On paper, Reba performs too—ranking in the top 25% for yield grade, top 30% for yearling weight, and top 35% for docility. As an added addition, she sells confirmed bred to Mr. JH 20/9, a direct son of the elite +Mr. V8 458/7 "Noble." If you're sitting on your hands, you'll be left watching someone else lead this female into their donor pen. Don't play it safe—make the move, buy Reba, and elevate your program. She's the one everyone will wish they had raised their hand for, Miss KF Reba 218!

Here's another proven, productive donor female straight from the heart of Lee's Cattle Company—Miss Z6 Beth 162/1. As many of you know, three years ago we held a major herd reduction sale, where we sold over 85% of our registered Brahman cows. What remains today is just a select group of about 20 head—only the best of the best. You can rest assured that anything we offer now has been tested over time and represents the highest quality we have to offer. Miss Z6 Beth 162/1 came to us as a young show heifer and quickly rose to prominence as a standout backdrop winner in our show barn, claiming victories in multiple jackpot shows. But what truly sets her apart is how she transitioned from show ring success to real-world production—proving her worth as a powerful and dependable mama cow. Her pedigree is just as elite as her performance. She's sired by Mr. RB 590/6 Karu Union, an own son of +JDH Mr. Union Manso and grandson of the legendary (+)JDH Karu Manso 800. On the maternal side, her dam RB 553/8 Miss Dolcette is sired by +JDH Mr. Manso 854/4 and out of Miss RB 815/4, a +#JADL Rey Te daughter. Adding even more value, Beth sells confirmed bred to Mr. JH 20/9, a direct son of the renowned +Mr. V8 458/7 "Noble." Folks, the facts speak for themselves—Miss Z6 Beth 162/1 is a no-holes kind of female, flawless in design, proven in production, and with her entire future ahead of her. Don't miss this opportunity to own one of the greats!

IS Ms. Isabella 218 is a powerful IS Ranch-bred female who has truly been an asset to our herd—and now she's ready to elevate yours. As a young heifer, Isabella was halter broke and immediately stood out with her stylish, balanced build. To this day, she remains exceptionally gentle and docile, making her a dream to handle both in and out of the pen. She's the kind of female that fits seamlessly into any progressive breeding program, backed by strong maternal traits and dependable genetics. Sired by the Register of Renown +IS Mr. Kosciusko 100, Isabella traces back to the Marcus Shackelford-bred MDS Qua Zi Moto 652 and MDS Doc Jr's Lady 295—bloodlines that bring power and performance. On the bottom side, her dam IS Majestic's Arabelle 207 is sired by IS Mr. Majestic 69/7 and out of Miss JS 620/6, adding even more depth to her already impressive pedigree. From a numbers standpoint, IS Ms. Isabella 218 offers tremendous genetic value, ranking in the top 5% of the breed for birthweight, top 10% for calving ease maternal, and top 25% for yield grade—a true curve-bender. To make this offering even more attractive, she sells confirmed bred to Mr. JH 20/9, a direct son of the legendary +Mr. V8 458/7 "Noble," giving you a genetic combination that's hard to beat. If you're in the market for high-quality bred females, you won't want to miss IS Ms. Isabella 218. She's proven, practical, and packed with potential—an easy decision for any serious breeder.

When Rocky Creek Cattle Company shows up to a sale, they don't just participate—they dominate and RC Ms. Bruce Pasco 2/13 is absolute proof they've brought their best to the table once again. This striking female isn't just another pretty face—she's donor caliber through and through, built with the kind of genetic power, style, and mass that sets the tone for an elite program. She's sired by WRX Bruce Pasco Polled (P), a bull backed by some of the most elite genetics in the Brahman breed. His sire is the world-renowned +Mr. V8 279/7, a direct son of the great +JDH Mr. Elmo Manso and the iconic Miss V8 510/6, dam of the legendary +Mr. V8 458/7 "Noble." On the bottom side, Bruce is out of +CT Lady Rhineaux 8/9, a two-time National and International Champion and the #1 Registaer of Renown Dam in the breed. 2/13's dam, VL Elena 2/21, adds another layer of proven value, being sired by VL Rojo Designer 78/5 and out of the influential donor +VL Elena 3/140. But she doesn't just look good—she performs. 2/13 ranks in the top 15% of the breed for milk, top 35% for docility, yield grade, and marbling—proving she's as functional as she is flashy. Brahman females with this much quality don't come along every day, and when they do, they don't last long on the market. If you're serious about improving your program, this is the female you fight to own. Don't wait—make her yours before someone else has the chance to claim for their use!

MR HR IDIOMA 172 (172)

RARE OPPORTUNITY! If you're serious about stepping up your spotted Gyr program, Mr. C.W.S. Gir 120 is the kind of bull you don't let pass you by. This powerhouse herd sire brings the complete package—eye-catching phenotype, elite structure, and a stacked pedigree. He's sired by GRG Mr. 61, a direct son of C.W.S. Mr. 66, one of the most influential spotted Gyr bulls bred by C.W. Strickland of Montgomery, Texas. On the bottom side, his dam Miss C.W.S. 412 is also a Strickland-bred female and a maternal granddaughter of the proven sire RW New Hope 849/3, making this pedigree rich with consistency, functionality, and breed character. Visually, 120 is impressive—long-bodied, deep-sided, and smooth in his lines with a presence that screams herd bull. But beyond the looks, he brings performance ranking in the top 1% of the breed for birth weight, making him ideal for heifer-friendly breeding, top 15% for yield grade, top 30% for scrotal circumference, and top 45% for marbling. These traits ensure that he not only sires attractive calves but ones that produce and perform. Proven bulls with this kind of style and statistical strength are nearly impossible to find, and even harder to buy. If you want to be competitive in the Gyr breed or simply want a bull that offers performance and presence, Mr. C.W.S. Gir 120 is the one. Bulls like him don't come around often—buy with confidence!

Take a long look at this standout female—Ms. PKC Polled Dolly 13/4 (P) who is a high-quality polled Brahman heifer brought to you by our friends at Pine Knot Cattle Company, and she checks all the right boxes. From the profile, Dolly is feminine, long-fronted, deep-ribbed, and balanced, with the kind of structural correctness and eye appeal that stop you in your tracks. When she’s on the move, she continues to impress—soft in her pasterns, sound off both ends, and flexible in her skeleton. She’s built to last and built to produce. Dolly is sired by G5 Mr. 17/0 (P) of Driven Farms, a smooth-polled bull backed by generations of influential breeding. His sire line traces back to +Mr. V8 279/7, a proven performance leader known throughout the Brahman breed. On the maternal side, Dolly’s pedigree doesn’t disappoint. She’s out of ECC Polled Rio Queen 402/0 (P), a productive female sired by LMC Polled Sambo 45/0 (P) and out of a Register of Renown daughter of +S Mr. Liberty 309, tying in some of the breed’s most dependable maternal genetics. Not only does Dolly look the part, but she brings strong numbers as well—ranking in the top 50% of the breed for birthweight, milk, docility, and fat thickness. That kind of balance between phenotype and performance makes her an excellent candidate for any progressive program. Whether you’re building a herd or looking for your next donor prospect, Ms. PKC Polled Dolly 13/4 (P) offers the kind of potential you don’t see every day. Don’t miss the chance to add her to your program—she’s the real deal!

You’ve got to love this one, folks—MW Ms. Eve Manso! This super-attractive female immediately grabs your attention with her balanced build, level hips, and extended front third, all highlighted by that show-stopping ¾ angle view. Eve doesn’t just have the looks—she comes backed by a proven and highly popular pedigree that makes her even more valuable. Sired by the impressive Triple H Sir Casper 49/9 (P), Eve is a direct result of elite genetics. Casper is the powerful combination of the legendary “sire of champions” +Mr. V8 279/7 (P) and the iconic matriarch Miss V8 510/6. Notably, 510/6 is the dam of +Miss V8 100/7, the only polled female in breed history to be named National Champion. That makes Miss V8 510/6 the granddam of one of the most famous and widely used bulls in the breed, +Mr. V8 458/7 “Noble.” On the maternal side, Eve is out of MW Ms. Mary Manso 203/7, an exceptional female who combines the strength of Mr. Kallion Maverick 1649 with the style and balance of Miss JS 582/6. This pedigree is built for both power and performance. To top it all off, Eve ranks in the top 15% of the breed for calving ease, top 20% for marbling and the \$Queen Index, and top 35% for docility. She’s halter broke and show-ready. Study this offering closely—MW Ms. Eve Manso who is truly one of the best. Don’t miss your chance to own a great one!

WBR Agrippina Minor V8 (P) is a polled cow that deserves the extra CREDIT! As you study this female phenotypically, you love her for that extra body depth, ultimate three-dimensional look, and levelness out of her hip. To be such an elegant "mama cow," each female that claims this must be able to get out and go on the move, and Agrippina, as we call her, does just this quite nicely. Analyzing her pedigree, you realize she combines some oldies but goodies into a neat package. Her sire, Mr. HM Estos Doc Holiday, returns to the great Sugarland's Esto 225 polled bull that produced JME Mr. Esto 28 (P). The dam to this incredible female is a granddaughter of the register of renowned herd sire, +KF Progeny's Success, a son of the original (+)JDH Karu Manso 800. If you remember back to the Southern Classic Brahman and F-1 Sale, Agrippina was the dam to the scurred bull "Charlie," one of the high sellers during the sale. As an added addition, this female ranks in the top 15% of the breed for the \$Queen Index, 15% for milk, and 20% for marbling. To put the icing on the cake, Agrippina will sell bred to the +SRS Mr. Captain Red Legs son, Mr. HC 177/2. Buy with confidence one of the best-bred cows to sell, WBR Agrippina Minor V8 (P)!

BUR Ms. Suga Suga is an outstanding female that effortlessly combines eye appeal, structural soundness, and proven maternal performance. She displays remarkable balance from every angle, standing square and wide with a powerful base and a correct skeletal design that ensures both mobility and long-term soundness. Her overall build speaks to functionality and longevity, with exceptional rib shape, a deep body, and a level, clean topline that reflects both femininity and working capability. She is a prime example of what thoughtful, performance-based breeding can produce. Genetically, Ms. Suga Suga stems from an elite pedigree. She is sired by Mr. B-F Hugo, a direct son of the respected S Bar Mr. 291/2, adding depth and strength to her sire side. Her dam, JDH Miss Racine Manso, brings in the influence of JDH Madison Man Manso, continuing a legacy of consistency and quality. On the maternal side, her lineage includes Ms. JCC Brut Manso 913/1, a female backed by the power of Mr. V8 766/5 and the maternal reliability of Lady JCC Cal Manso 308/1, a daughter of JDH Mr. Manso 472/2. This foundation of proven bloodlines supports her strong performance profile, ranking in the top 15% of the breed for birth weight, 25% for yield grade, and 45% for marbling. Adding to her value, BUR Ms. Suga Suga sells with a bull calf at side sired by George 330 Simon—offering immediate return on investment. It's not every day you find a female of this caliber, paired with strong maternal performance and a valuable calf on the ground. Don't miss this powerful duo—an ideal addition to any serious breeding program.

BooBoo 10/17 is the kind of female that turns heads with her complete design, combining balance, power, and maternal function—qualities that represent the foundation of the MG Farms program. She's built for longevity, with a broad, solid base and square, correct feet and legs that contribute to her smooth, confident movement. Her deep body and well-sprung rib cage allow for both capacity and performance, while her strong, level topline ties her together into a clean, feminine package. Whether you're focused on show-ring presence or pasture practicality, BooBoo 10/17 delivers in both areas. Her pedigree is packed with proven names. She's sired by George 254, a powerful son of the influential Mr. V8 809/6, and out of Miss Fay 266 Sunshine, who traces back to PA Legend, bringing consistency and breed strength on the sire side. Her dam, Cheyenne 10/2, further deepens the maternal quality. Cheyenne is sired by Rowdy 82/7, and out of Dancing Wind, a daughter of the well-known PA Honker 167. This combination of top-tier genetics ensures BooBoo 10/17 is more than just attractive—she's built to produce and perform. In terms of measurable performance, she ranks in the top 15% for birth weight, top 25% for yield grade, and top 45% for marbling, making her a well-rounded and valuable addition to any herd. To sweeten the offering, BooBoo 10/17 comes to the sale with a bull calf at side, sired by George 330 Simon, offering instant genetic return. Opportunities like this are rare—secure a female that brings both power and predictability to your program.

Here's your opportunity to invest in a truly elite female that brings together performance, pedigree, and eye appeal—Lacey 92/8 from MG Farms is the complete package. She's a striking individual with natural dimension, strong maternal design, and the kind of structural integrity that ensures she'll hold up over time. From the ground

up, she's built right, standing on a wide base with correctly placed feet and legs, promoting fluid movement, balance, and long-term durability. Her depth of body and clean, level topline not only enhance her visual appeal but also speak to her capacity as a productive, functional female. Her pedigree is equally impressive. Lacey is sired by George 254, a son of the renowned Mr. V8 809/6, bringing power and presence to the table. Her maternal line is just as strong—her dam, Miss Fay 240, is a direct daughter of +JJ West Diamond, a sire known for adding value through outcross genetics and consistency in quality. The maternal grandsire, PA Legend, adds even more breeding depth through Miss Fay 266 Sunshine, ensuring this female has the kind of lineage that makes a long-term impact in any herd. When it comes to performance, Lacey doesn't disappoint. She ranks in the top 15% of the breed for birth weight, top 25% for yield grade, and top 45% for marbling, making her as strong on paper as she is in the pasture. To top it all off, she sells confirmed bred to George 330 Simon. Don't miss out on a female that brings this much to the table—Lacey 92/8 is the kind that moves a program forward.
